FALL CREEK

ENCLAVE BUTTERFLY GARDEN GRAND OPENING

By Carol Deeb, Landscape Committee member

The Landscape Committee in association with the Fall Creek HOA Board, would like to welcome you to the fun, long anticipated Enclave Butterfly Garden Grand Opening on Saturday, April 27th from 10:00 AM to 1:00 PM. The garden is located at the Enclave Park, adjacent to the small pool on Mesa Rd. past the elementary school. We are offering brief guided tours of the garden by butterfly experts Elizabeth White-Olsen and Glenn Olsen from Go Native, the garden designers. Butterflies require both nectar and host plants. We can offer information on those plants to increase your success at attracting them to your yard.

The official ribbon cutting ceremony will be held at 10:30. Information on how to grow your own butterfly friendly garden and free seeds to start planting are available. There will be a free craft project from 10am - Noon. A face painter and balloon twister are also part of the fun. Sidewalk chalk and bubbles will add to the festivities. As a bonus anyone dressed in a butterfly costume will receive a small reward. Food trucks are also planned.

If you have time, we are in need of several volunteers to help with small tasks. Contact the committee at landscape@fallcreekhouston.com.

Parking is recommended at the Fall Creek Elementary School for a short walk to the Enclave Park. Please bring your amenity badge if you will be accessing the pool restrooms.

FARMERS MARKET

Spring is near and our market is growing with quality! The team is carefully selected and must go through an onboarding process to serve our wonderful community. We perform site visits and sampling on all products. The team is insured and must have county health permits. We don't allow reselling, and this yields the highest quality of products and producers.

Did you know that egg-o-rolls is a Fall Creek resident?! We love giving our neighbors a platform to grow their business. Check out these weekly grocery staples: seasonal organic produce, grass fed meats, pastured chicken and eggs, Indian cuisine, wild caught seafood, gourmet mushrooms and local honey.

Thank you, Fall Creek, for your continued support. #buylocal

CRIME WATCH COMMITTEE AND HARRIS COUNTY SHERIFF'S OFFICE

The Fall Creek Crime Watch Committee (CWC) serves as a liaison between the Harris County Sheriff's Office (HCSO) and the Community. Fall Creek HOA and WCID 96 have a contract with HCSO to provide six deputies to patrol the homes in Fall Creek. Last year, the contract was revised to reflect a 50/50 split in costs between the HOA and WCID 96, in addition to WCID 96 agreeing to support 100% of the cost to add two deputies to patrol the commercial area of Fall Creek. All eight deputies are on shift for 40 hours per week and spend, on average, 70% of their time in the contract area. When they are not available, Fall Creek receives services from HCSO district patrol cars.

The CWC meets on the third Tuesday of each month at 7:00PM at the Fall Creek Clubhouse. All residents of the community are invited to attend and discuss matters of interest with Sgt. Albert Ashworth, who supervises the deputies serving Fall Creek. We discuss recent events in the community and the surrounding area, as well as the response by HCSO. Other topics covered include safety tips, such as the need to lock vehicles at night and taking care not to keep valuables visible inside of a vehicle.

The CWC also sponsors Block Parties in each village in the Spring. This year the Block Parties will take place on May 4th. Each village is entitled to a reimbursement of up to \$100 for costs associated with the party. Any questions regarding the Block Parties or CWC can be directed to Bill Henderson at billhenderson6872@gmail.com.

NOTICE OF UPCOMING ELECTION:

The Harris County Water Control and Improvement District No. 96 (WCID 96) will be holding its election for the WCID 96 Board of Directors on May 4th, 2024. Additional details to be announced. Be sure to check the WCID 96 website for District updates at <https://www.hwcid96.com/>.

LIV GOLF HOUSTON IS ABOUT TO ARRIVE ON YOUR DOORSTEP

**GOLF CLUB OF
HOUSTON**

On June 7-9, the LIV Golf league makes its inaugural visit to the Golf Club of Houston. We can't wait to share this event with you, and we thought your wonderful newsletter would be a great place to introduce ourselves.

Our league features several of the world's leading players, including Brooks Koepka, Jon Rahm and Houston's very own Patrick Reed. These stars compete in an innovative team format, across a global schedule that includes world-class locations like Miami Doral, the Greenbrier and Spain's legendary Valderrama.

This is our first event in Texas, and your course is the perfect setting. Its big-game history, beautiful surroundings and challenging design will provide the perfect theater for team golf. We can't wait to see how our players cope with the fearsome 'Ball Washer' on 18!

We are expecting large crowds of fans from across the country. However, rest assured that we do not anticipate any inconvenience for Fall Creek residents.

Fall Creek is extremely well-prepared for events of this scale (this was another major pull factor when we were scoping out venues) and the schedule of our event will minimize disruption.

LIV Golf events last three days, not four, and all the play takes place in the afternoon. LIV Golf Houston will begin on Friday and end on Sunday, so all the action will be packed into the weekend.

While our live DJs are a key part of the LIV Golf experience, we take great care to tailor each event to the characteristics of the venue. There will be no party hole in Houston, and the event is likely to have a real family feel. In fact, we strive to encourage family audiences through our Fan Village, which is full of golf-focused entertainments for children.

We will be in touch nearer the time with details of discounts for Fall Creek residents. However, this article is not a sales pitch. We simply want to introduce ourselves properly to you and share our excitement about this amazing event.

We hope that you're as excited as we are and look forward to partnering with you as we introduce the Golf Club of Houston to a new, global audience.
